Endocrinologist Jim McMonagle's office flooded while he was on vacation, but Pinnacle Emergency Management averted disaster. "Leo Grover told me to stay in Hawaii and that they'd handle everything," explains McMonagle. "Back at work five days later, I could see no evidence of a foot of water in my office. Pinnacle's technology and personal effort put me back in business as if nothing had gone wrong."

PINNACLE EMERGENCY MANAGEMENT

Pinnacle Emergency Management Puts You Back In Business With Capability And Compassion

You guide your business with confidence, but if a flood or fire struck, would you know how to react? Pinnacle Emergency Management (PEM) has the capability to guide you through the toughest of situations and help restore normalcy quickly. From the first desperate moments to the day your business is operational again, Pinnacle is a dependable and logical solution.

PEM immediately responds to your emergency in any weather, at any time of day or night, 365 days a year, with expertise and compassion. "No matter the nature or scope of your loss, our success is measured on how quickly we can get you back to business as usual after a disaster," says President Leo Grover.

With 15 years in emergency management, Grover has hands-on experience with our nation's biggest disasters, including 9/11 and Hurricane Katrina. Two years ago, he

launched Pinnacle Emergency Management, and developed it into a definitive solution for your worst troubles. "I thrive on solving complex emergencies and helping people and businesses out of the toughest situations."

Why wait for an emergency to enlist Pinnacle Emergency Management? "We can help you avert some disasters, and train and prepare you and your staff in case of an unavoidable emergency," says Grover. "We analyze your risks and help you establish a plan to minimize your loss and down time."

PEM's trained technicians respond to and minimize problems of every magnitude, whether it's a flooded basement, a tree through a roof, or an entire building gutted by fire. You can count on Pinnacle to help you resurrect your business as quickly as possible. With years of experience, technical and bureaucratic know-how, state-of-

the-art equipment, boundless tenacity and commitment, Pinnacle Emergency Management is the only resource you need.
